MEMORANDUM FOR: Career Management Officer, DD/S&T

SUBJECT: Possible Recruitment of [redacted]

1. As I told you on the phone, OSA has an interest in talking to [redacted] as a possible candidate for employment as Chief of the Advanced Projects Division, OSA. As indicated under "remarks" on the recruitment form, we have known Ray for some time and he is universally regarded within the family. I understand from [redacted] who brought the [redacted] case to my attention, his availability is a function of his concern and dissatisfaction over the pending merger of [redacted]. The latter company, of course, is going to swallow [redacted]

2. There are other possibilities within OSA for which we may consider [redacted] including the job as deputy to [redacted] and/or a senior assignment in the satellites reconnaissance field - if we are successful in prying open the door to General Crier's treasure closet. I can see other areas for which [redacted] might qualify in the Office of the DD/S&T itself or possibly ORD. Please let me know if you hear of other possibilities in the Directorate, since I will be in touch with [redacted] regarding scheduling for his visit next week.
